

SAT/ACT Prep

We can help!

2016 SAT/ACT Starts Now!

Prepare now for the SAT/ACT Testing
season

The eKnowledge Donation Project with National Association of American Veterans is entering its 11th year assisting Students and Families. The Project waives the complete \$250 course price for the SAT or ACT Test Prep Programs. So the student pays only the cost of delivering the program: DVD student fee of \$23.70 for the cost of materials,

support and shipping, Online Cloud student fee of \$19.99 for student support and streaming.

Free \$250 SAT & ACT Prep Courses

225,000+ programs valued over \$50 million donated at no profit to the company.

Request Your Donated Program

The Donation Project is supported by professional athletes from the NFL and MLB and 250 Partners, including DANTES, DOD & American Red Cross. Read more about our partners [here](#)

35,000+ comments from families just like yours. Read what they have to say [here](#)

"Thank you for your sponsorship. Your generosity allows me to use my military service to obtain the ACT prep software for my daughter. You sponsored my son 5 years ago and I'm very grateful to see this program is still available." Stan Little, *Military.com December 11, 2015*

"I appreciate being given this opportunity my Dad is a Retire Disable Veteran would not be able to afford this for me without your help! I won't let down those who supported me and helped me thus far along my journey to succeed. Thank You!" Brendon Rivera, *Military.com, December 28, 2015*

"Thank you so very much!!!! Military family with four kids and with your donations and assistance the first was successful in his SAT scores that he is now a student at the US Merchant Marine Academy and our next is using this program in hopes to obtain his goal for UF!" Teresa Sablan, *Military.com, 1-9-2016*

About the PowerPrep: The SAT and ACT PowerPrep™ Programs are available online or DVD. These semester length complete programs include more than 11 hours of video instruction and 3000 files of supplemental prep material, thousands of interactive diagnostic tools, sample questions, and practice tests and 100+ hours of student participation time. Students select the training they need and study at their own pace.
