

StreetWise Partners FA17 Referral Information Guide

Ways to refer:

- 1) **Refer prospective applicants to our [website](#)** to register for an **[Info Session](#)** or to the SWP Staff Contact if they want more details before registering. We are currently scheduling information sessions for this summer, and will notify those who register as soon as options are set. *Please make sure that referrals list your organization and individual referrer (if applicable) as their referral source so that we can provide you with updates throughout their application process.*
- 2) **Want to include in or send an e-blast?** Email the SWP Staff Contact for templates and materials to disseminate! *We have a blurb for an email blast, individual referral email template, and fliers to post or send out.*
- 3) **Not sure who to refer?** Check out our qualifications below or contact us!
- 4) **Don't have time?** Simply send the SWP Staff Contact an email with prospective referral's contact info or with them CC'ed, and we'll take it from there!
- 5) Any combination of the above!
