*The eKnowledge SAT/ACT Prep Project with National Association of American Veterans enters its 15<sup>th</sup> year.*

The Project waives the \$350 program price so the student pays only the \$19.99 streaming and support fee. All student fees are reinvested to improve the program and reach more families. The Project does not create a profit.

*"I would like to thank them all. My grandson has lost both of his parents. His dad was a 27 year Green Beret who died on active duty at the rank of Sgt Major. His mom was also in the military. We all are very grateful to all the sponsors of this program." **William Steinborn***

*"My granddaughter scored 1580 on both PSAT and SAT. She is a National Merit Semifinalist this year in Massachusetts. She used your program exclusively. Thanks." **Jim Koch***

*"Thank you. I am purchasing now for the third time. My oldest two boys both were helped by this program. Now, I'm hoping another son will get a chance at better scholarships with a higher ACT score." **Heidi Baudoin***
