

The Promise is Still Valid, written by Dr. Byron J. Williams, speaks of God's promises actively working in the lives of believers. Each of the 7 chapters serve as a different reminder of God's favor and love for us, His people, during times of uncertainty in our lives. The final chapter, Chapter 8, is intentionally left blank with the hope that readers will be empowered by the previous chapters and encouraged to start a new beginning in an area of their own life.
