

A WIDER CIRCLE

Programs & Services

Creating stable homes

A Wider Circle's Essential Support Program provides home furnishings — including beds, dressers, dining tables, chairs, and couches — to anyone in need, free-of-charge. In addition to furniture, we also provide dishes, linens, pots and pans, baby items, and more — all of the essentials you need to turn your house or apartment into a home.

Helping job seekers find long term career pathways

Our Workforce Development Program is a holistic, intensive, and highly personalized approach to professional development and career advancement. We can help you enter or advance in the workforce through interactive workshops, career counseling, and professional networking. At our Professional Development Center, we also provide men's and women's professional clothing, free-of-charge, for you to wear to work or job interviews.

Working directly in neighborhoods

Communities invite A Wider Circle to collaborate because we listen carefully and develop lasting, trusting partnerships. At our Ward 8 Hub in DC's Washington Highlands, we provide an array of place based programs and services in line with community needs.

Everyone is welcome at A Wider Circle. There are no eligibility or referral requirements, and all of our services are free-of-charge.
