The Independence Fund and Loyal Source have launch the “Independence line,” a call-center designed to assist U.S. Veterans, Afghans, and their friends and family navigate the issues with the Afghanistan withdraw. This call-center will provide assistance to both Afghans in the United States now who served shoulder to shoulder with our U.S. service members, and the U.S. Veterans themselves. The call center aids U.S. Veterans, their Caregivers, and their families to find assistance and proper mental health counseling to address issues which may arise from the current situation in Afghanistan. U.S. Veterans and their families are encouraged to reach out to Independence Line as well as our Afghan allies and ask for help. The call-center is open 8 a.m. – 12 a.m. EST and can be reached at 855-341-5456.
