THESE ASHES

PURPOSE

These ASHES will not define my purpose, it is a book about a man named Job. In this book, we will discuss how Job, who lost everything he loved and valued, maintained his integrity, his faith, and trust in God. The first chapter of Job leads to his **integrity being tested**. Like us, there will be circumstances in our lives that would cause us to validate our faith in God. **You trust God**, you serve God, and you worship Him through your faith, but sometimes that **faith impacts your integrity** which leaves you asking, can I trust God in this moment of uncertainty in my life?
